Small Group Discussion Opportunities

Discuss these questions together:

- As a group read 2 Samuel chapters 13 to 18. As you read, stop to discuss the events that relate to the conflict in David's family. Focus on these as real people, not characters in a story. Consider the emotions and what you might identify with.
- On Sunday Rich discussed six words related to the concepts in 2 Samuel 18 (choice, challenge, result, influence, legacy and love). Which of these words stood out the most to you? Discuss your thoughts.
- What area of your life are you most likely to have unresolved conflict (work, family of origin, the people I live with, social interactions, internally, other relationships)?
- Is there a specific conflict in your life right now that you would like to process with your grow group? (Processing is helping me to understand, venting is just agreeing with me that I am right. Focus on processing, not venting.)
- Considering Sunday's teaching and today's discussion, what is a practical next step for you? Share your thoughts and pray for each other.
