# Small Group Discussion Opportunities

Discuss these questions together:

1. Where have you seen Jesus at work recently?
2. What kind of things have been most helpful in shaping your perception of God?
3. Has there been a time when continuing to follow God was a real struggle for you? What helped you most during that time?
4. Who in your life is looking at you to see God? How are you intentionally helping them see Him through your words and actions?
5. What are some objections people might have to the concept of one God? How might you respond to those questions or objections?

## June Prayer Focus: Dads

God our Father, we give you thanks and praise for dads, young and old. We pray for young dads, newly embracing their vocation. May they find courage and perseverance to balance work, family, and faith in joy and sacrifice. We pray for dads around the world whose children are lost or suffering. May they know that the God of compassion walks with them in their sorrow. We pray for men who are not dads but still mentor and guide us with fatherly love and advice. We remember dads, step-dads, granddads, and great granddads, who are no longer with us but who live forever in our memory and nourish us with their love. Amen
