“All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right. God uses it to prepare and equip his people to do every good work.”
2 Timothy 3:16-17(NLT)

Connecting people to Jesus through intentional relationships with one another.

Small Group Discussion Opportunities

Discuss these questions together:

1. What makes the Bible unique?
2. What is one new thing you learned about the Bible?
3. Does the fact that the Bible “passed” the verification test of all ancient writings and was determined to be accurate, reliable and relevant increase your faith in its trustworthiness? Why or why not?
4. What aspects of this teaching would help you have a conversation with a skeptic?
5. Why is it necessary for a follower of Jesus to be a student of God’s word?
6. How can you encourage one another to take the next step in becoming students of God’s word?
